PROFILE

My name is Naukan Alpamys, a second-year student at SDU University, majoring in Information Systems. I am passionate about web technologies and currently developing my skills to become a Front-End Developer. I have a strong interest in creating user-friendly, responsive, and visually appealing interfaces, and I am eager to apply my knowledge in real-world projects while continuously improving my technical and creative abilities.

EXPERIENCE

SDU University   SDU HACKATHON 2025
Front End Developer

- Collaborated in a team project using Django framework.
- Designed and developed the front-end interface, ensuring responsive and user-friendly layouts.
- Gained practical experience in teamwork, problem-solving, and rapid prototyping under time constraints.

Basic Skills

- Programming languages: Python, Java
- Frontend Development: HTML, CSS, JavaScript

EDUCATION

Kyrgauyldy School   2013-2024
Red Certificate

Bachelor of Information Systems   Since 2024
 Faculty of Engineering and Natural Sciences |
SDU University
